We Are Ordinary People Loving & Serving an Extraordinary God

Our Vision:

"To worship God, grow in Christlikeness, and fulfill our ministries, so we can lead people to Christ."

Teaching:

Pastor Dave Selness

Some parables teach us the amazing grace and forgiveness of the Father; we are in awe as we consider this revelation from God Himself. Then some parables teach us the amazing expectations God has of us who know and love Him. It is a full package that covers the whole spectrum of a walk with Jesus in daily life. Today we are considering the attitude of a servant of the Lord.

Previous sermons are available on the church website: www.fbcpeshtigo.com

Communication:

It has been the policy of this church that if there are not people to run certain ministries, we will not attempt to run those ministries. The rationale is pretty straight forward. If we think we should have a specific ministry but not enough people feel they want to be part of it, then there are two conclusions: 1) we misunderstood and God in fact isn't behind that ministry so we shouldn't try to make it happen, or 2) God is in fact behind it and is moving people to step forward, but they are being disobedient and not stepping forward... so we shouldn't enable disobedience by getting the wrong people to make it happen. Either way, the outcome is to let the ministry go. It is based on understanding that God has equipped and designed every one of His children with spiritual gifts to be used in ministry. If we don't have the right people, we can't do that ministry. We pray you will find this both challenging and freeing this Fall.

Garden of Readin' Library: Be sure to check out the library this fall, many new movies and books are arriving!

Field of Faith - Community Garden Ministry has had a bumper year with all of the heat and rain. There were 78 garden plots taken this season, many by folks outside of our church family. We've been able to donate much produce to the area food pantries. The donations coordinator for this year will be stepping down at the end of the season, so we're looking for someone who would be interested in serving there next year. Please consider this one year minimum commitment! You could also apprentice during the rest of this season to learn how it runs, and then tailor it to your style for next year. See Robin Behrens for more details.
