We Are Ordinary People Loving & Serving an Extraordinary God

Our Vision:

"To worship God, grow in Christlikeness, and fulfill our ministries, so we can lead people to Christ."

Teaching:

Pastor Archer Leupp

Do we know God as He has revealed Himself? Or, just as we imagine Him to be? If you can imagine God saying, "There's something about me that I really want you to understand. But, it's not easy. I want you to know that I am One God, but I am also three. I am One God only as I am Father, Son, and Holy Spirit...and this makes a huge difference in how you see me and how we relate with one another." Will you listen?

Previous sermons are available on the church website: www.fbcpeshtigo.com

Communication:

This is it! The week of Vacation Bible School when we become Hero Headquarters! A key opportunity to impact kids and our community for God's glory. Helping kids understand what it is to join forces with God. Working together as a church family in unity of heart and spirit with great joy. Prayerfully looking for what God is doing and jumping on board. Welcoming new members into His family. Creating great memories. Focusing on how amazing God is...kid style! **Please partner with us in prayer this week:** for God's Word to be boldly and clearly proclaimed resulting in eternal fruit in kids' lives, for hearts to be prepared to receive His message, for teachers and leaders to prepare well, communicate with clarity and make deep connections with kids, for effective behind-the-scenes preparations, for stamina for us all. Stay tuned and see what God will do...

James Ward and the correct testimony.

Hi, I am Tina's husband and Jamey's father, James "Harold" Ward. I accepted the Lord into my heart about 36 years ago. Ever since then God has always had people come into my life to help me along the way. It is very apparent to me that Faith is the place He has chosen to place me and my family on this part of our journey in life. I hope that we can help others as we have been helped along the way. Philippians 4:13

August Adopt-a-Missionary - You can turn radios on to the truth of God's love by placing Sonset® radios in communities around the world! The SonSet® radio, which is fixed-tuned and solar powered, was developed by the HCJB Global Technology Center and is a rugged, handheld radio for use in remote areas of the world. Families have been known to travel dozens of miles on foot to obtain one of these sets. "The people are crying for the radios," one South African woman told a local radio station manager. Cost is \$35 which includes shipping.
